

ORIGINAL TITLE:	Rubrics as an assessment tool
Translation of the title in English	Rubrics as an assessment tool
Type of document	Links
Author	-
Language of the original document	English
Source / Publishing body	Website
Category	Evaluation Method
Short description in English	Rubrics are the most innovative assessment tool at the moment. They are easy to use, flexible, inclusive and useful. The first link is a theoretical approach to rubrics, and the second is a fun and practical website which exemplifies rubrics and even allows you to use their templates for free.
Short description in partner language (optional)	Las rúbricas son el método de evaluación más innovador por el momento. Son fáciles de utilizar, flexibles, inclusivas y útiles. El primer <i>link</i> es una introducción teórica a las rúbricas, y el segundo es una página web divertida que muestra ejemplos de rúbricas que se ponen a disposición para uso gratuito.
