Short description in English	An important skill to acquire is public speaking. TED Talks is a platform which has been growing rapidly due to its efficiency and captivity: short videos about any topic. The website itself offers a guide to creating your own TED, and many examples as well as lesson plans and filtered categories.
Short description in partner language (optional)	En el mundo laboral es importante saber hablar en público. TED Talks es una plataforma que ha ido creciendo en los últimos años debido a su eficacia y captivación: vídeos cortos sobre cualquier tema. Su página principal ofrece una guía para hacer tu propio TED, así como ejemplos, programas para el aula y categorías múltiples.
